

OBAKENG SHEPHERD TSAAGANE

SOFTWARE DEVELOPER

Gauteng, Pretoria | 067 630 8354 | obaketsaagane@gmail.com | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

Education

Diploma in Information Technology 2022 - Present
Belgium Campus ITversity, Pretoria, South Africa
Software Development, Web Development | Databases

Professional Summary

Results-driven full-stack and backend engineer with strong transferable skills across engineering, product, data, operations, and compliance domains. I chose fintech as a focus area to accelerate deep technical mastery, reduce distractions, and build production-grade systems faster. I want to be known for rapid execution, systems thinking, and delivering real-world solutions that scale across industries.

Skills & abilities

- **Languages:** C#, Python, TypeScript, JavaScript, SQL
- **Frameworks:** .NET 8, ASP.NET Core Web API, React, Entity Framework Core
- **Databases:** SQL Server, PostgreSQL, MySQL, NoSQL
- **Data & BI:** Power BI, ETL Pipelines, Analytics Dashboards
- **Security:** JWT, OAuth2, RBAC, Secure API Design, Audit Logging
- **DevOps & Tools:** Docker, GitHub Actions, Git, Postman, Serilog, xUnit, HTTPS
